

FROM THE PASTOR ...

It has been several years since Gary and I had the privilege of visiting the island of Jamaica. During our time there we had the opportunity to travel into the interior of the island to see and experience some of what life is like for most of those who live in this tropical paradise. Aside from the two main cities of Kingston, which is the capital, and Montego Bay, and a few other resort areas, the island is very poor, with the average monthly income being approximately equal to \$25.00 in American currency. In fact, there were times that we actually felt guilty for all that we as Americans have come to take for granted, like comfortable homes and ample food on our tables.

Yet, there was something of which I was a bit envious, and that was the sense of acceptance and unity shared among those who call the island home. Jamaicans have an extremely diverse heritage. The original inhabitants, the Arawak Indians, do not exist today. Sadly, their tribe is extinct, destroyed by European conquerors and disease. The ancestors of today's Jamaicans came from Spain and Africa, from Portugal, China, India, and the British Isles, each bringing with them their own culture and traditions which have become mingled together to give Jamaica the rich and diverse lifestyle and culture that Gary and I experienced. Some examples would be the Spanish names of towns like Ocho Rios and Rio Grande, the rich culture and vitality of those who came from Africa, the spices of Portugal, the British tradition of afternoon tea, and the national food of ackee from Ghana.

The language of the island is another way that the diversity and unity are expressed and experienced. The official language of the island is English, reflective of the many years of British rule. But there is also a native language, "patois" that combines several of the languages of their ancestors. We were privileged to hear this spoken on several occasions, but never could understand what was being said.

It was in hearing "patois" spoken and reflecting upon the Jamaican national motto, "Out of many, one people", that I thought of another time when many languages were spoken at one time....

FROM THE PASTOR (Continued):

As we read in the second chapter of the Book of Acts, "when the day of Pentecost had come, they were all together in one place. And suddenly from heaven came a sound like the rush of a violent wind, and it filled the entire house where they were sitting ... All of them were filled with the Holy Spirit and began to speak in other languages, as the Spirit gave them ability." On this day Parthians, Medes, Elamites, Mesopotamians, Judeans, Cappadocians, as well as people from Pontus, Asia, Phrygia and Pamphylia, Egypt, Libya, and Rome, along with Cretans and Arabs gathered together and God poured out the Holy Spirit upon them and the Christian Church was born. Out of many came the one holy catholic church, the Body of Christ.

On May 23rd we will celebrate the birthday of the Church as we celebrate the Festival Day of Pentecost. We will also welcome into adult membership of our congregation through the Rite of Affirmation of Baptism, or Confirmation as it is more commonly known, those young people who have successfully completed their years of catechetical instruction. As your Pastor, it is my hope and prayer that we, like those who gathered on the Day of Pentecost and like those who live on the island called Jamaica, may enjoy the rich diversity that is among us and celebrate the unity that is ours as members of our Lord's Body.

In Christ's love and service,

Pastor Betty

## WHY THE CHURCH ?

Someone wrote a letter to the editor of a newspaper and complained that it made no sense to go to church every Sunday.

"I've gone for 30 years now," he wrote, "and I have heard something like 3000 sermons. But for the life of me, I can't remember a single one of them. So I think I'm wasting my time and the pastors are wasting theirs by giving sermons at all."

**This started a real controversy** in the "*Letters to the Editor*" column, much to the delight of the editor. It went on for weeks until someone wrote this clincher:

"I've been married for 30 years now. In that time my wife has cooked some 32,000 meals. But, for the life of me, I cannot recall the entire menu for a single one of those meals. But I do know this ... they all nourished me and gave me the strength I needed to do my work. If my wife had not given me these meals, I would be physically dead today. Likewise, If I had not gone to church for nourishment, I would be spiritually dead today!"

**The church is Jesus' family and exists to serve with him in peoples' lives.**

### THE CHURCH:

Invites **"Come and see."** (John 1:39)

Gathers **"Worship in spirit and truth."** (John 4:24)

Explains **"Learn from me."** (Matthew 11:29)

Cares **"The son of Man came to serve."** (Matthew 20:28)

Shares **"Share what you have."** (Luke 3:11)

Are you spiritually nourished?

## **St. Peter's PRE-SCHOOL NEWS**

March brought another three-year old student to the Tuesday-Thursday class and Drop-In Center. He comes five days a week. An only child, he speaks Chinese (Mandarin), and is happily adjusting after some crying at the beginning. I'm impressed by his positive attitude and understanding of what is going on. He tries very hard to do whatever we do and particularly enjoys our art projects, gym, and play yard. Our snacks are foreign to him, also.

Speaking of snacks, we had toast with butter and/or jelly for the letter '**Tt**'. One child said he'd never had that before and it was really good! Our veggies and dip for '**Vv**' went over quite well. Some had never had broccoli and dip before. Today we had very small slices of cherry and pumpkin pie I bought from St. Peter's Pie Sale. We saw them making the pies and enjoyed the wonderful smell, but the snack did not go over well!

We had three visits from puppies! The children get very excited and love to pet them. When one child brings in his puppy, the others also want to.

Between losing time from snow days and Easter coming early in April, we didn't have time to celebrate Mari Gras. March brings Dr. Seuss's birthday (March 2), which we celebrated with green eggs and ham. St. Patrick's Day, Wacky Wednesday (a Dr. Seuss book, as well). Topsy-turvy Thursday, umbrella parades, and this year, Easter activities. In Holy Week, Pastor Betty visited with both classes, read to them about Easter, and brought palm branches to take home. Make-up snow days were on Holy Thursday and Good Friday. The Easter Bunny visited classes. Most children were quite excited, but a few kept their distance and would not be in a picture with him.

Easter Egg Hunts were in the play yard in groups of four for easier hunting and so that we could more fairly include the little ones from the Drop-In Center with the older children. Eddie and Mason Forstoffer were our set-up assistants. The eggs had stickers inside and each child received a book from our book club, along with a little donated candy.

Are you interested or do you know anyone who might be able to help with Stay and Play from 11:30 a.m. to 1:00 p.m. on the first Monday and Tuesday of each month? For an extra \$5, the children bring a lunch and play in the gym, outside, or in the playroom.

**Continued on the next page ....**

### **St. Peter's Pre-School News (Continued):**

You would be finished by 1:10 p.m. We hold it every Monday and Tuesday in December before Christmas to help our busy parents and it's very popular. With more help, we could have it more often. Ms Cathy, Ms. Sarah and I cannot always stay. If you'd like more information, contact me. State clearances would be necessary and you will be paid for your time.

The school year will be almost over by the time you read this. If you know of any family who might be interested in an affordable, academic, pre-school, in a supportive Christian setting, please tell them to call the church or me for more information. One family responded to our two evening Spring Open Houses, so we have our first registration for next fall. Curriculum includes pre-reading skills, numbers, social skills and manners; social studies, science, music, art, growth and fine motor skills, etc. As Kindergarten becomes more academic, so do pre-schools. We've gotten two more scooters for our gym play with Campbell's label points. Keep those labels coming in. Thanks, also to Maryanne Fullman for her excellent Dental Health presentation to both classes, complete with gift bags for each child to take home and use. (We hope!)

Have a great Spring,

**LUTHERAN PLANNED GIVING OF CENTRAL/NE PA**  
**GIVE AND YOU SHALL RECEIVE**

**Yes, that's the way it works.** And with an ELCA Foundation gift annuity, you not only receive the satisfaction of helping to further the mission of your congregation or one of the over 1,200 ministries of the ELCA, but you also receive annuity payments for the rest of your life.

**Why does the ELCA Foundation offer charitable gift annuities?** Many of our friends want to give more to their congregation or one of the many church ministries but live on fixed incomes and can't afford to donate income-producing assets. With our gift annuity program, they can make a significant gift and still retain lifetime payments. In some cases, they can even increase their annual cash flow.

**Besides supporting ministry** with a charitable gift annuity, the benefits of fixed payments, income tax deduction for itemizers, partial bypass of capital gains tax, and possible reduction of estate taxes make an ELCA Foundation charitable gift annuity a prudent option for many of our older friends. In fact, we find that some of our donors obtain additional annuities as they get older because of the higher gift annuity rates.

**Another great thing ELCA Foundation** gift annuities is that they can be divided amount 10 ELCA ministries, including your congregation.

**For more information** about using Charitable Gift Annuities for charitable giving or other ways to make gifts to your congregation and other ELCA ministries, please call Pastor Greg Kramer at the Lutheran Planned Giving Office 570-374-2044.
